

2018-2019 Deane-Porter Clubs

THIRD GRADE OFFERINGS

Dear Deane-Porter Parents of Third Grade Students,

The Deane-Porter School has, for many years, offered the opportunity for our students to join extra-curricular clubs. The fee for participation in Deane-Porter extra-curricular clubs is a \$75.00 sign up fee and additional \$25.00 per student, per club.

If your child is interested in participating in clubs, please go to the district website on **Monday, October 1, 2018 at 8:15 PM** and click on **Club Sign Up**. Click on the grade level for your student and choose the club they would like to join. You may only sign up for **ONE** club at this time. After initial sign ups, students may sign up for additional clubs, upon availability. The additional sign ups will be available **Friday October 5, 2018**.

You will find that some clubs meet on the same day/time of the week, so please check the club dates and times carefully.

Once you have successfully signed up for a club(s), please send in your check (made out to Rumson Board of Education), and submit it to your child's teacher. **All payments are due by Monday, October 8th.** Students will be able to participate in clubs once their check has been turned into the main office.

- \$75.00 sign up fee
- \$25.00 per club
- One club- \$100.00
- Two clubs- \$125.00

On Tuesday, October 9th, 2017, Club dates and times will be posted on our district website in the Virtual Backpack. Please check the backpack for the times and dates of the club.

Afternoon Clubs3/

Grade 3 Garden Club

Wednesdays 3:05- 3:45 p.m. All Year Lead by Sue Schoenfeld

The purpose of the Garden Club is to introduce children to gardening, conservation, protection of wildlife, and an appreciation of nature. The Garden Club grows food for "them" (butterflies) and vegetables for us. We have fall garden cleanup. We will harvest seeds from the garden, plant milkweed, nectar plants, and herbs. We also learn about and set up a compost bin. On cold or bad weather days, we do related indoor projects in addition to using the Forrestdale greenhouse. We will learn about and plant herbs, sprouts, hydroponic plants, and make pots.

All year

	10/17	10/24	10/31
11/7	11/14	12/5	12/12
3/20	3/27	4/3	4/10
4/17	5/1	5/8	5/15
5/22	5/29	6/5	6/12

Morning Clubs

Grade 3 STEM

Thursdays All Year 7:45 to 8:30 (1 Session) Lead by Mr. Mark Panas

Third grade STEM Club will explore inquiry based Science, Technology, Engineering and Math activities. This hands-on club will encourage students to explore and wonder about the world. The club will provide opportunity for meaningful STEM learning in a supportive and fun environment.

Location: STEM/ MAKERPLACE
Room STEM/ MAKERPLACE

		3/27	6/12

Grade 3 Active Bulldogs Club

Tuesdays 7:45- 8:30 a.m. (fall) 1 session Lead by Bob VanDeBoe

Active Bulldogs will offer students a chance to start their morning off with some activity to energize them and prepare their bodies for learning. Each week, *Active Bulldogs* will include activities to extend the learning of the PE program. This club will provide time for students to apply skills they are working on in class through games and activities.

Examples of activities include: Chasing and Fleeing Games, Small Sided Soccer, Football Activities, Throwing & Catching Activities, Basketball Games, Cooperative Games, Jump Rope Activities, Climbing Stations and other Fitness Activities.

Location: Gym
Room Gym

Please note: We will not meet on Tuesday, October 23rd as the gym will not be available.
